

**CASEY NORTH**  
**Community Information and Support Service Inc.**

ABN 87 415 386 165

Dear Community Member

Each year Casey North Community Information & Support Service appeals to all our wonderful community members, service groups, schools, and business to assist us with donations for our Christmas Program. Our aim is to ensure every child has at least one present from Santa under the tree on Christmas morning and each family has some special Christmas fare for the celebrations.

This year, we are appealing for donations of Christmas fare for Christmas Hampers. We are encouraging all those in our community who can, to assist by purchasing extra items each week until Christmas and donating for those in need. When it comes to thinking about what to donate, we hope to have made it easier for everyone this year by including a brochure of all the items that will go into each hamper.

If you would find it easier to donate money rather than do the shop for items, donations over \$2 are tax deductible and can be made via our website [www.caseynorthciss.com.au](http://www.caseynorthciss.com.au)

All donations of goods can be dropped off at our office at the address below during opening hours. Please call 9705 6699 if you require further information or have any questions.

Yours sincerely

*Helen Small*
